

## Underwriting Standards and Product Matrix for Quorum’s Interest Only Home Equity Line of Credit (HELOC) Program Guidelines

Quorum follows Fannie Mae underwriting guidelines. Quorum’s underwriting guidelines are not the only criteria for a final credit decision. All loans are *manually* underwritten. Our underwriters assess each loan to determine the multiple layers of risk. Special attention is focused on loans that have attributes near the guideline limits, greater loan amounts, and higher transactional complexity. These scenarios may introduce other factors in order to decision the loan (see Layering Risks & Compensating Factors section).

**If you have a unique scenario that you’d like to pre-screen with us, please email us at [mortgagesales@quorumfcu.org](mailto:mortgagesales@quorumfcu.org).**

**Pre-screen Requirements: Copy of the 1008/1003, credit report, and a breakdown of all closing and post-closing asset reserves.**

Minimum line-of-credit amount: \$10,000. No draw required at closing. No application, annual or termination fees; appraisal fee varies. No pre-payment penalty. Mortgage tax may apply in some states. This Home Equity Line of Credit is not available in TX. All loans are subject to credit approval.
