

All loans are manually underwritten by a mortgage professional. Quorum's underwriters review each loan to assess risk and streamline the approval process. Quorum follows Fannie Mae underwriting guidelines; however, Quorum's underwriting guidelines are not the only criteria for a final credit decision. Layering risk factors and compensating factors may be considered for loans that fall outside the product features and guidelines.

If you have a unique scenario that you would like to pre-screen with Quorum, please contact your Account Executive.
 Pre-screen Requirements: Copy of the 1008/1003, credit report, and a breakdown of all closing and post-closing asset reserves.
