

All loans are manually underwritten by a mortgage professional. Quorum’s underwriters review each loan to assess risk and streamline the approval process. Quorum follows Fannie Mae underwriting guidelines; however, Quorum’s underwriting guidelines are not the only criteria for a final credit decision. Layering risk factors and compensating factors may be considered for loans that fall outside the product features and guidelines. For any additional requirements not addressed in this product matrix, refer to FNMA Selling Guide for details.

If you have a unique scenario that you would like to pre-screen with Quorum, please contact your Account Executive.
