

All loans are manually underwritten by a mortgage professional. Quorum's underwriters review each loan to assess risk and streamline the approval process. Quorum follows Fannie Mae underwriting guidelines; however, Quorum's underwriting guidelines are not the only criteria for a final credit decision. Layering risk factors and compensating factors may be considered for loans that fall outside the product features and guidelines. For any additional requirements not addressed in this product matrix, refer to FNMA Selling Guide for details.

If you have a unique scenario that you would like to pre-screen with Quorum, please contact your Account Executive.

The APR is a variable rate, plus or minus a margin, and is based on the Prime rate (index - as published in The Wall Street Journal) plus a margin. The margin is determined based on credit history, loan amount and combined loan-to-value (CLTV) ratio. Rate will not increase or decrease more than 2% annually. A home equity line-of-credit is secured by the member's home and is available only for 1-2 family residential properties and condominiums, excluding co-ops. Minimum line-of-credit amount: \$25,000.00. No draw required at closing. No application, or termination fees; appraisal fee varies. No pre-payment penalty. Mortgage tax may apply in some states. This Home Equity Line of Credit is not available in TX. All loans are subject to credit approval.

**Fees:**

Fees are due at closing and debited from the HELOC (except appraisal fee, if applicable, due at time of application). Additional fees for helocs, including all lender fees, origination fees and third-party fees will be passed to the borrower.
